2027 SSKB PRIVATE OWNER SMOKE ALARM UPGRADE

The Responsible Choice

From 1 January 2027, all homes in Queensland must comply with updated smoke alarm legislation designed to better protect families and properties. Smoke Alarms Australia helps homeowners upgrade to meet the new requirements with professional installation and compliant smoke alarms. Substantial fines apply for non-compliance.

Upgrade pricing is determined by the number of bedrooms and alarms located at the property currently. For example, if your current property has two bedrooms and one alarm, the upgrade price will be \$240.

CURRENT PROPERTY LAYOUT	UPGRADED PROPERTY LAYOUT	UPGRADE PRICE
 <p>1 + 1</p>	 <p>1 + 2</p>	\$160
 <p>2 + 1</p>	 <p>2 + 3</p>	\$240
 <p>3 + 2</p>	 <p>3 + 5</p>	\$400

Offices, studies, and places where people sleep are counted as bedrooms. Any additional alarm required for compliance where the standard configuration is not listed above, extra alarms will be priced at \$80 per alarm. All prices are inclusive of GST.

 <p>Upgraded by experienced & fully licensed professionals</p>	 <p>Quality alarms to the Australian Standard</p>	 <p>Compliance certificate provided by property</p>	 <p>Convenient & direct appointment times</p>	 <p>Interconnected and photoelectric alarms for legislation</p>
